Chiefs, please send any St. Paul/Minneapolis hot issues to Megan, Joan and me by

COB, tomorrow, May 20<sup>th</sup>. Last time we submitted hot issue summaries for NIROP, General Mills and St. Regis. While none of these focus on water, air or energy, I'd recommend we simply update and resubmit them. If there are other new hot issues we'd like those too.

Thanks, Tom

Hello Again,

We need St. Paul and Minneapolis hot issues with an emphasis on water, air and energy issues facing those cities. Especially need to be aware of any issues involving the mayors.

Kind of a rush on these due to the Memorial Day holiday. Please send your items to me, **John Peterson**, and **Anne Rowan**, in Public Affairs, by **deadline: COB Wednesday, May 21.**

I'll attach the last Minnesota issues you did and the hot issue format.

Thanks for your quick help.
